Sembawang Secondary School

Ministry of Education
Republic of Singapore

Jasfer Toh Jia Jie was a student of Sembawang Secondary School from 2016 to 2019. During the course of his studies in school, Jasfer has developed qualities reflective of an inspiring leader in the making.

Jasfer is a considerate student who is respectful and treats people around him with dignity. His friendly and humble disposition makes him well-liked by his peers and he is able to establish rapport easily with people from all walks of life.

Jasfer is an intelligent student who grasps concepts quickly. He readily offers examples to illustrate understanding and application. Jasfer displays a strong desire to excel and strive for success by being resilient in the face of setbacks. Jasfer also represented the school at International Competitions and Assessments for Schools (Mathematics) in 2017 and 2018 and obtained the Merit Award in 2017.

Jasfer participated in various leadership modules to further enhance his leadership skills, such as the Self Leadership Programme in 2016 and the Public Speaking and Data Literacy Workshop in 2017 where he learnt to craft concise PowerPoint slides with an accompanying speech to deliver an effective presentation.

Jasfer was a member of Archery Club from 2016 to 2019. He honed his skills together with his team mates actively. He displayed good team work throughout his participation in Archery Club. He willingly rendered assistance to his peers during training sessions. Jasfer took part in the Archery competition organised by the Best Archery at Toa Payoh sports center in 2019. He was in charge of scoring and safety for the competition.

Jasfer's environmental consciousness and community spiritedness are evident through his active participation in the Values In Action (VIA) Programmes. He was a team player and displayed care and concern for the elderly when he participated in the Chinese New Year Hamper wrapping activity from 2016 to 2019. Jasfer volunteered to assist the elderly in SunLove Home in 2018 and participated in a VIA Carnival aimed at helping the All Saints Home in 2019. He also took an interest in the well-being of the community and environment by using his videography skills to educate his peers on community issues in 2017 and participated actively in the Green Outreach Programme from 2016 to 2019.

Jasfer also actively participated in various intra-school activities such as the Sembawang Olympic Fiesta, Sembawang Youth Games and Sembawang Youth Run from 2016 to 2019. Jasfer participated in a Sports Education Programme in 2017 to learn Dragon Boating and the Secondary Three Outdoor Adventure Camp in
